Children are very often left out in terms of food at parties and functions. As parents ourselves of young children, we know that children can be fussy eaters and are most easily put off by food which they may be unfamiliar with. To help children enjoy the occasion all children under nine can be served a kids special menu consisting of:

- Pizza and chips
- Cone ice cream for dessert.

Although children will be served with a special menu they are still free and encouraged to eat from the adult meals too.
